REF: Architects and builders of Wasatch County

Dear Mr. Larsen:

As you may know, my hobby has been to record the history of Wasatch County.

My present project is to make record of all the builders, carpenters, masons and architects known in the valley. It is my understanding that you fit at least two of these categories.

Would you please fill out the short history form enclosed and send me a nice picture of you and your wife. I will return you original photos in two weeks.

Sincerely,

*R. Raymond Green MD*  
Dr. Green
